~~Ranga Rao should be placed on the list of officials not eligible for recommendation to the Government service~~

Ranga Rao has first to be declared ineligible for recommendation in the Government Service. If so declared he will, under rule 10* of the Insurance Rules; be entitled only to the Surrender Value of the Policies now held by him, which is stated to amount to Rs 172/- The Secretary, Insurance Committee may perhaps be asked to hold the said sum to the credit of the Government to be appropriated towards the sum of Rs 4887. to be accounted for by Ranga Rao, under rule 23 of the Insurance Rules, but this will be dropped for approval as the case.

10/9/04. It also seems a matter for consideration whether the sum of Rs 4887 may appropriated by Ranga Rao can be recovered from him otherwise than by the decree of a civil court, as he being dismissed from the public service cannot be departmentally dealt with to pay up; and whether any amount that he may be entitled to under his policy can be lieged towards the payment of this amount.
